प्यारी बेटियों,

शिक्षा व्यक्ति के सर्वांगीण विकास का प्रमुख माध्यम है। जीवन के प्रत्येक क्षेत्र को उचित दिशा प्रदान करने में शिक्षा का अहम् योगदान है। शिक्षा प्राप्त करने के विविध स्तरों में महाविद्यालय की भूमिका को विशेष तौर पर रेखांकित किया जाना आवश्यक है। महाविद्यालय में विद्यार्थी न केवल ज्ञान की परिपक्वता की ओर अग्रसर होता है बल्कि समाज के विकास और कल्याण की दिशा में योगदान देने हेतु सक्षम व समृद्ध बनता है।

उच्च शिक्षा हेतु एक गुणवत्तापूर्ण शैक्षिक संस्थान की आवश्यकता होती है जो कि भौतिक और मानवीय संसाधनों के साथ विद्यार्थियों के समग्र विकास की संकल्पना को साकार कर सके।

बालिका शिक्षा के विशेष संदर्भ में बात की जाए तो उच्च शिक्षा के प्रति अपेक्षा एवं उत्तरदायित्वों का दायरा और भी व्यापक हो जाता है। इन्हीं सभी पक्षों और परिप्रेक्ष्यों को ध्यान में रखते हुए हमने किशनगढ़ में एक सुदृढ़ शैक्षिक संस्थान की स्थापना की है।

हमारा दृढ़ विश्वास है कि यह महाविद्यालय निश्चित ही किशनगढ़ व दूर-दराज की बालिकाओं के जीवन को उचित दिशा प्रदान करने के लक्ष्य को साकार करने में प्रभावी भूमिका का निर्वहन करेगा।

इन्हीं अनन्त मंगलकामनाओं सहित।

अशोक पाटनी

अध्यक्ष

प्रिय वंडर गर्लर्स,

सफलता प्राप्त करने के लिए सही समय पर सही निर्णय लेना भी आवश्यक होता है और इसके लिए एक गुणवत्तापूर्ण संस्थान का चयन करने का आपका निर्णय उचित होना चाहिए। आज के इस बदलते दौर में ऐसे संस्थानों की आवश्यकता है जो विद्यार्थियों को एकीकृत शिक्षा प्रदान करते हुए कौशल विकास के अवसर सुलभ कराए और सांस्कृतिक मूल्यों को संजोए रखने की प्रेरणा भी दे।

यह बताते हुए हमें प्रसन्नता है कि हमारा महाविद्यालय लगातार प्रगति के पथ पर अग्रसित होते हुए अपनी विशिष्ट पहचान बनाने हेतु प्रयासरत है। स्नातक स्तर के अकादमिक पाठ्यक्रमों से शुरूआत करते हुए वर्तमान में अध्यापक शिक्षा और स्नातकोत्तर पाठ्यक्रमों के साथ महाविद्यालय नई उंचाईयों को छूने की दिशा में गतिमान है। महाविद्यालय अकादमिक क्षेत्र के साथ विभिन्न सह-शैक्षिक गतिविधियों के माध्यम से विद्यार्थियों को अपने लक्ष्य को निर्धारित करने और उसे प्राप्त करने हेतु प्रेरित करता है। महाविद्यालय की अकादमिक उत्कृष्टता और अन्य उपलब्धियों का एक महत्वपूर्ण आधार हमारे संकाय सदस्य हैं जो अपनी कर्तव्यनिष्ठा और प्रतिबद्धता से संस्थान की स्थापना के निर्धारित लक्ष्यों और उद्देश्यों को प्राप्त करने में अपना योगदान दे रहे हैं।

मैं उच्च शिक्षा के माध्यम से अपनी पहचान बनाने के लिए आपके इस संस्थान को चुनने और हमारे प्रयासों की शृंखला में अपनी प्रतिभागिता देने के लिए आपका स्वागत करते हुए उज्ज्वल भविष्य की कामना करता हूँ।

सी. ए. सुभाष अग्रवाल

निदेशक एवं सचिव

Dear Students,

"Feminism isn't about making women strong. Women are already strong. It's about changing the way the world perceives that strength." - G.D. Anderson

At the very outset, I welcome you all to another enthralling academic session. I wish you all a very rewarding academic and co-scholastic life on campus. It gives me immense pleasure and a sense of responsibility to lead an institution which aims to empower women through education.

This institution was built to fulfil the need for a girls' college in this belt of Rajasthan which has a low Gross Enrolment Ratio in the field of Higher Education. Today with a huge chunk of women students enrolment in the college, we are proud to announce our campus as a women-driven space which centralises the empowerment of women to meet the needs of contemporary times.

As an institution, we aim towards the holistic growth of an individual where educators seek to address the emotional, social, ethical, and academic needs of students in an integrated learning format. To keep up with the NEP 2020 policy of bridging the skill gap and empowering our youth for a promising future, our curriculum specially focuses on the skill development of the students. The college also plans to generate employment in students by providing vocational training courses in the near future!

May the power of sisterhood illuminate your path!

Best wishes for future endeavours!

Dr. Ravi Sharma
Principal

OUR ODYSSEY

The R.K. Group

"Where Perseverance Meets Performance"

R.K. Marble began in 1989 and is now the world's largest marble producer with over 5000 employees. We have a reputation for quality, service, and dependability, and are in the Guinness Book of World Records.

Shri Ratanlal Kanwarlal Patni Foundation

"We strive to make a difference"

"Shri Ratanlal Kanwarlal Patni Foundation," established in 1996 under the patronage of Pujya Baba Sahib and the R.K. Marble Group. It is committed to fulfilling corporate social responsibility in healthcare, education, sustainable livelihood, and other social issues. The foundation has established a college to address the girls education in Rajasthan.

Shri Ratanlal Kanwarlal Patni Girls' College

"Knowledge is Power"

Shri Ratanlal Kanwarlal Patni Girls' College, established in 2015, is a unique Public-Private Partnership between the Rajasthan government and R.K. Group. It operates according to UGC guidelines and addresses the low gross enrolment ratio in higher education for girls in Rajasthan. The college focuses on promoting both higher education and women empowerment.

Our Vision

We aspire to be an institution whose academic portfolio, educational model and unique perspective align with the shifting needs of the global society. Empowered through resources, collegiality and public support, the college will provide diverse communities with transforming educational opportunities and services. Together, we envision empowering women by providing avenues that foster professionalism, humanism and social responsibility.

Our Mission

- To provide accessible, affordable and the finest educational programmes through unique blend of curricular, experiential, and research-based learning.
- To develop a student-centric culture augmenting critical thinking, information competency and communication skills; while focusing on vocational education and employability.
- To harness young talents and encourage them to take corporate and creative initiatives.
- To recognize the importance of cultural, social, environmental, and personal growth and development.
- To embrace a value-based education system & aspire for the holistic development.
- To effectively integrate Information and Communication Technology on the campus, developing competency and confidence among students.

CELLS & COMMITTEES

- **Grievance Redressal Cell:** Settles grievances of all stakeholders and provides facilities for effective academic teaching and learning.
- **SC/ST Cell:** Facilitates financial support for SC/ST students and aims to bring them into mainstream.
- **Women Development Cell:** Initiates discussions on women's rights and gender equality to promote a dignified society.
- **ISRO Outreach Program Cell:** Nodal centre for IIRS –ISRO Outreach Program, which organizes workshops and sessions on space technology and its applications.
- **Examination Cell:** Coordinates internal and university exams and disseminates relevant information.
- **Add-on Courses Cell:** Provides job-oriented skill based courses alongside regular degree programmes.

- **Anti-Sexual Harassment Cell:** Ensures a safe and secure environment for all and combats sexual harassment.
- **AISHE Cell:** Compiles and uploads institutional data to the AISHE web portal.
- **IQAC:** Plans, guides, and monitors quality assurance and enhancement activities for institutional accreditation.
- **Training and Placement Cell:** Provides 100% assistance and counseling for students regarding education and employment opportunities.
- **UBA Cell:** Aims to bring a transformational change in rural development through active participation of the college by adopting the villages.
- **Anti-Ragging Committee:** Designs strategies and action plans for curbing the menace of ragging on campus.

The infrastructure & facilities available on campus are the

BEST

CAmPuS AT a GLaNcE

The infrastructure of a college is a vital aspect of a student's development. At SRKPGC, our 15-acre campus provides a beautiful and serene environment that is perfect for our Wonder Girls.

Our campus is fully equipped with modern facilities that are of the highest standard to ensure that our students have access to the latest technologies. With everything our students could ever need, our campus is entirely self-sufficient.

Come! See it to believe it or you may take a virtual campus tour by scanning this QR Code from your Mobile

ACaDeMiC MaNiFEsT0

- **Pedagogy:** We use up-to-date e-learning platforms and state-of-the-art teaching methodologies at SRKPGC for effective learning outcomes.
- **Assessment and Evaluation:** Our faculty members conduct continuous evaluation of our students using formative, summative, and process assessment procedures. We also conduct Pre-University Examinations to prepare our students for their final exams.
- **Tutorial and Remedial Classes:** At SRKPGC, we offer interactive tutorial sessions for students who need additional support and guidance to clear their doubts and problems.
- **Research and Project-Based Learning:** We encourage research and project initiatives in a multidisciplinary environment, motivating our students to submit projects regularly in their fields of interest.
- **Workshops, Seminars and Extension Lectures:** We host regular workshops and invite renowned academicians, intellectuals, professionals and industry experts to give students hands-on experience and knowledge beyond the syllabus.
- **Industrial Training, Visits and Excursions:** We organize regular industrial visits and educational excursions under the supervision of faculty members to give students exposure to industrial practices and hone their communication and interpersonal skills.
- **Parents-Teacher Meeting:** Our highly participative forum encourages exchange of feedback between faculty and parents to perform strategies for the overall development of the students.
- **Feedback:** We encourage our students to provide rational and constructive feedback concerning teaching and non-teaching staff, institutional policies and campus facilities.
- **Student Development Program:** We ensure that our students participate in various Student Development Programs to upgrade their skill set and bring innovation in their learning modes.

StUDeNt SuPPoRT INiTiATiVeS

- **Skill-Based Courses:** We offer Skill-Based Programmes for practical learning and vocational skills to our students to equip them with professional knowledge and systematic training.
- **IIRS - ISRO Outreach Programs:** We are a network institute of the IIRS Outreach Programme recognized by the Indian Institute of Remote Sensing (IIRS - ISRO), Dehradun.
- **Internships and Projects:** Internships and projects provides practical experience, skill development, and professional networks that can be invaluable in securing future employment.
- **Website:** Our website is a hub of all information, providing timely updates on course structure, programmes, activities and media coverage.
- **National Service Scheme:** Our college has 3 Units, 1 Government and 2 Self Financing Units for National Service Scheme.
- **Mentorship Program:** Our mentorship program pairs a student with a mentor who provides guidance and support throughout the student's academic journey.
- **Pre-Admission Counselling:** The pre-admission counselling session imparts important features about courses and its prospects, clearing all doubts of students before admission.
- **SCOUT and Guide (Rangers):** Our college has two Bharat Scout & Guide Rangers units.
- **RKCL Courses:** We are the centre for Rajasthan Knowledge Corporation Limited (RKCL), authorized to conduct various courses offered.
- **Competitive Exam Classes:** Our competitive exam preparation classes prepare students for various competitive exams along with regular classes.
- **College Publications:** Our college has two in-house publications, a Newsletter "RK Girls' Voice" of all activities and Magazine "Ratnank" having articles of students and staff.
- **ERP:** We are equipped with the latest ERP Software to cater all the data-specific needs of the college, students, and parents.
- **Scholarships and Rebates:** Our Scholarship Cell provides 100% assistance to eligible students to apply for major government scholarships.
- **Clubs:** Our college offers memberships in various clubs to cater for the hobbies and interests of our students.
- **National Cadet Corps:** Our college has been allotted a Senior Wing of NCC Army from the academic year 2022-23.
- **Inclusive Excellence:** Experience an inclusive and empowering college environment, designed to be disabled-friendly and support the success of every student.

Bachelor of Arts

Duration: 3 Years (Annual Scheme)

Eligibility: As per the norms of the MDS University, Ajmer and Commissionerate, College Education, Jaipur

The Bachelor of Arts degree offers a balanced blend of defined and flexible courses in Language, Humanities, and Social and Cultural Studies, allowing students to explore their passions and develop in-demand skills such as critical thinking, communication, and problem-solving. This program fosters responsible citizenship, creativity, and an appreciation for diverse cultures while challenging assumptions and encouraging fresh ideas. Prospective students are expected to embody qualities such as human values, social service, and critical thinking to achieve their future goals.

Outcomes

The course-specific activities organized by the college aim to develop students' cognitive skills, enhance their employability, and instill important values in them. Workshops, seminars, and departmental activities are planned and executed to achieve these desired outcomes for the overall development of the students.

Subject offered by the college: As per the affiliation, the college is offering the following subjects-

Hindi Literature	English Literature
History	Political Science
Sociology	Economics
Geography	Home Science
Drawing and Painting	Music
Sanskrit Literature	Psychology

Career Opportunities

The bachelor of Arts degree offers graduates a wide range of career opportunities, including roles in content writing, journalism, social activism, psychology, translation, administrative and executive assistance, and history and archaeology. Graduates can also apply to competitive exams conducted by RPSC/UPSC/RSMSSB/IBPS. Pursuing a master's degree is another popular option.

Suggested Add-on Course

The department offers skill-based programs and add-on courses to enhance the employability and skill set of the students. At the beginning of each session, students are counselled and encouraged to register for these courses, which require an additional fee.

- RS-CIT
- Spoken English & Communication Skills
- Functional Hindi (प्रयोजनमूलक हिंदी)
- NGO Management
- MS Office
- Competitive Exam Preparation Classes
- IIRS-ISRO Outreach Courses
- Digital Marketing

to the body

Library (Jigyasa)

Knowledge and Resource Centre

The college library has a wide variety of collections on different subjects, with over 27,866+ volumes and 505 CDs and DVDs. It is divided into different sections: Acquisition, Circulation, Stack, Periodicals, Reference, Digital Library, Photocopier, and E-Library. E-Library is equipped with an Internet facility for browsing websites and e-content prepared by the faculty members in the form of a repository. The repository provides access to syllabi, old question papers, e-notes, presentations, guest lectures, faculty publications, college magazines, and newsletters. The library has a special collection of literature on Jainism, Gandhian philosophy, VEDAs, encyclopaedias, dictionaries, fiction, novels, English and Hindi language and literature, and competitive exams. Students are encouraged to prepare book reviews and donate books, and the library awards appreciation certificates to book donors and the best library users of the year.

The library organises a yearly summer reading camp called 'Bookaholic' from April to June to promote reading habits among the surrounding community. It has also introduced the "Library Book Bank Scheme" in the current session. Moreover, it is fully computerised with ERP, enabling efficient management of resources and services.

Library Rules

- Only authorised members with smart card are allowed to enter the library.
- Users must sign the register available at the entrance.

activities

CLuBs

Student clubs are operational at our institution to provide a platform for students with similar interests to come together. Joining these clubs allows students to pursue their interests, develop new skills, and network with peers. Our clubs offer opportunities for socializing, skill development, and leadership training, helping students to discover their strengths and develop their organizational and teamwork abilities.

Infinity: The Science Club

Stimulates pursuit of scientific knowledge through activities like field surveys, exhibitions, and seminars.

Lens Queens: The Film & Photography Club

Shares knowledge about the art and science of Film Making and Photography through interactions and peer learning.

The Technocrats: Tech Club

Offers a platform to explore students' latent talents in a collaborative learning environment and conducts engaging talks on recent IT trends.

Srijan: The Creativity Club

Focuses on churning out different ideas from students to enhance their thinking and perspective and responsible for the aesthetics of the events.

Vidhya Ratan: The Heritage Club

This club is dedicated to promoting and preserving our cultural heritage through various activities and events.

Sahityam: The Literary Club

Organizes activities like prose and poetry writing, debates, and literary quizzes to develop creative and critical thinking.

Enovate: The Entrepreneurship Club

Cultivates and equips budding entrepreneurs for the future and helps turn their ideas and passions into businesses.

Ardhamandali: The Cultural Club

Collaborates with faculty members to plan and participate in college events to cultivate leadership and management skills.

Abhyudaya: The Personality Development Club

Provides students with a cohesive and integrated personality development program to improve their communication and leadership.

Samvedana: The Karuna Club

The Karuna Club of our college is dedicated to promoting empathy, kindness, and social responsibility through various community service activities and events.

Prayas: The Social Awareness Club

Creates awareness and sensitizes students about social issues while developing leadership qualities.

RK Warriors: The Sports & Recreation Club

Paves the way toward excellence through the holistic development of students and imbibe leadership, teamwork, & resilience.

Abhinav: The Research & Innovation Club

Connects and organizes students for innovative and creative thinking through workshops, events, and competitions.

Flauna Friends: The Nature and Wildlife Club

Sensitizes and mobilizes students' participation in the preservation and conservation of the environment through talks, activities, and excursions.

NSS

The National Service Scheme (NSS) aims to cultivate a sense of community service among college students. Our college has 3 NSS Units with 100 volunteers each. Regular and special camps, awareness programs and workshops are conducted throughout the year to develop the volunteers' personalities. Our activities include Blood Donation, Tree Plantation, Health Checkups, Legal

Awareness, Gender Sensitization, Environment and AIDS Awareness etc. The program aims to instill a sense of responsibility and leadership qualities among the youth and also provide them with a platform to contribute towards the welfare of the society.

Furthermore, we are proud to announce that our NSS unit is actively striving to leave no stone unturned in

marking the presence of our college on the national level. Our NSS volunteer has secured representation at the prestigious Pre-RD Camp consecutively for the 5th time, and has also received several other national level participations and state-level awards, making us one of the top contenders in the realm of social service.

Achievements

- It is a matter of pride and Honour for our college that for the Fifth time in a row, our NSS volunteer was shortlisted to represent Rajasthan State to take part in the Republic Day Parade at the Rajpath (KartwayaPath) New Delhi. In 2023, Kirti Jhadotiya of BA Part III participated in the same.
- It's our accomplishment that college NSS Volunteers participated in the National Youth Festival (NYF) continuously for the three years.
- They also attended National Integration Camp (NIC) third time this year and the Pre-RD Parade sixth year in a row at different places in North India which is creditable for our College.

The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The NCC provides opportunities to the youth of the country for their all-around development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. The half troop has been allotted by Army Wing to SRKPGC.

Benefits of joining NCC

- NCC cadets with B & C certificates get preference in uniform services, public sectors, and more.
- Seats reserved for NCC cadets in Indian universities include engineering, medical, and post-graduation seats.
- UPSC & SSC create vacancies for 'C' certificate holders. NCC 'C' certificate holders get preference in various civilian jobs.
- Army soldier recruitment offers bonus marks to NCC cadets.
- NCC cadets have reservation in government jobs and academic incentives.
- NCC 'C' certificate holders can participate in Republic Day parade.

SCOUT & GUIDE (RaNGeRS)

Our college offers a Scout and Guide Program through the Bharat Scout and Guide organization. We currently have two units with 24 Rangers in each unit. Students can enroll in the Rangers Scheme and receive training at various levels. The program is part of an international organization and is open to all interested students.

Special Achievements at the State Level

- Our 19 Rangers have been awarded by "Rajya Puraskar Award 2022-2023" honoured by the honourable Governor of Rajasthan Shri Kalraj Mishra.
- Our student Juhi Mehra was Shortlisted as the Best Ranger in District Ajmer and was honoured by the honourable Governor of Rajasthan Shri Kalraj Mishra.
- Our student participated in a National level program (Azadi ka Amrit Mahotsav) and received a cash prize of Rs. 10,000 in Lullaby Writing.

Outcomes

Our Scout and Guide program offers opportunities for students to become responsible citizens, serve their community, participate in state and international events, and receive awards. Students can also earn certificates that provide direct recruitment in various fields and special relaxation in transport facilities and competitive exams.

PLaCeMentS

At SRKPGC we strive to help each student in exploring placement opportunities by inviting various companies for campus recruitment of students.

The placement assistance provided is comprised of a very systematic interaction with the industry and continuous career counselling of the students. Right from the beginning of the session, students are continuously counselled concerning their career aspirations and options, which in turn is vigorously followed up with the potential recruiters for participating in the placement activities conducted throughout the year. This not only helps the students in getting their 'dream' jobs but also assists the visiting placement companies in identifying the 'right' candidate for their organization.

ALuMNI

We are thrilled to introduce you to the vibrant community of alumni of SRKPGC who have made their mark in various fields. Our alumni association is dedicated to fostering long-term connections between alumni and the college while opening doors to several benefits and opportunities.

Our alumni are an essential part of the college's legacy, and we take great pride in staying connected with them. The Alumni Association aims to help alumni stay in touch with each other, keep up to date with college news, and engage with the college's current students, faculty, and staff. Alumni meetings have been planned to be organised once in every session, to allow students to stay connected with their alma mater.

The association will provide benefits, like networking events, job postings and career development resources. It is committed to providing opportunities for alumni to reconnect with each other and the college. The alumni community is dedicated to supporting each other and the college's continued success.

RK ACADEMY

Our college takes pride in introducing RK Academy, which offers competitive exam preparation classes for both undergraduate and postgraduate students. With our experienced faculty and subject experts, we provide personalized guidance and networking opportunities to help students develop the skills and knowledge needed to excel in competitive exams and achieve their career aspirations. Our coaching program covers various entrance exams, including CAT/MAT and various Govt. exams, helping students prepare for a broad range of opportunities. We highly encourage all students to make the most of this opportunity to secure a successful future.

RK SPORTS ACADEMY

Our college sports academy provides coaching for various sports to both college students and outsiders. With modern facilities and expert coaches, it aims to hone the talents of young sports enthusiasts. The academy also organizes various tournaments and competitions, providing a platform for students to showcase their abilities and build a network. Additionally, the academy runs after college hours to facilitate the students' participation without affecting their regular classes. Join the academy today to pursue your passion for sports and unleash your full potential.

IIRS - ISRO

Our college is integrated with prestigious institutions IIRS - ISRO, and serves as its Nodal Outreach Network Institute. The objective is to provide online workshops and certificate courses to build knowledge and practical expertise in the learners. The classes provide flexibility for students to acquire the knowledge they require and gain the ability to do independent research. The integration increases the potential of students in applying geospatial technology for monitoring natural resources and disaster management. The workshops are facilitated by the PG Department of Geography. Since May 2017, 237 participants have registered for 18 different IIRS Outreach Programs.

UBA (Unnat Bharat Abhiyan)

The Unnat Bharat Abhiyan (UBA) program aims to engage higher education institutions in contributing to the development of rural India. Our college has actively participated in UBA activities, including adopting 5 nearby villages and organizing community engagement programs, surveys, and developing solutions to address challenges. The UBA program has led to improvements in education, healthcare, sanitation, and sustainable livelihood opportunities in adopted villages. Various activities were conducted in the last session, including plantation drives, awareness programs, and blood donation drives. The UBA program has provided students with a unique and enriching learning experience, promoting social responsibility among them..

COLLEGE RULES & GUIDELINES

To ensure a safe and productive learning environment, students on campus must follow these rules and guidelines:

- Mobile phones are not allowed on campus, and their use will result in a fine and confiscation.
- Absence from college for more than seven consecutive days without prior approval may lead to disciplinary action.
- Poor attendance and performance in internal exams may result in being barred from university exams.
- Ragging is strictly prohibited and will result in severe punishment as per UGC guidelines.
- Damage to college property is not tolerated.
- Violations of disciplinary rules may lead to disciplinary action as per university statutes.
- 75% attendance is mandatory to appear for regular exams as per norms.
- Biometric attendance is mandatory.
- Attendance at National Event celebrations is mandatory.
- College identity cards must be carried at all times.
- Participation in co-curricular activities is mandatory.
- Reading notice boards for important announcements is mandatory.
- Disrespectful behavior towards staff or students is not tolerated.
- Disruptive group activities are prohibited.
- Political activities and meetings are not allowed.
- If any damage caused to college property then it must be reimbursed.
- Students should refer to the notice board for COVID protocols.

NOTE: Principal reserves the right to modify or alter these rules as needed.

AdMissIon GuiDeLiNEs

- Admission to the college is open to all women, regardless of their race, religion, caste, colour, or domicile.
- It is mandatory for candidates to carefully read the prospectus and university rules before filling out the admission form.
- The presence of the father, mother, or guardian during the admission process is encouraged.
- To secure admission, prospective students must fill out the admission form available in the prospectus and pay the required fee within the specified time frame.
- The admission form is also available on the college's official website at www.rkgirlscollege.edu.in.
- All admissions are provisional until the transfer certificate and migration certificates are submitted, and the student's eligibility is approved by both the college and university.

Fee Rules

Additionally, the college has certain fee rules that students must abide by. Details regarding these rules can be found in the prospectus or on the college's official website.

- Students seeking admission will have to pay the prescribed fees at the time of admission.
- Students joining the college in the middle of the year will have to pay the due fees for the entire session.
- The fee will not be refunded under any circumstances.

How To Apply?

Admission rules are applicable as per the norms of admission policies given by the Commissionerate of College Education, Jaipur and MDS University, Ajmer.

Enquiry Stage	Step 1 Pre Admission Counselling	Visit the campus between 9:00 AM to 5:00 PM for assistance regarding course/subject selection. For information and enquiries please contact us at: communication@rkgirlscollege.edu.in via phone at 01463-257000, 70730-77111, 70730 77222
Application Stage	Step 2 – A Apply	The application form is available at the college helpdesk along with the prospectus.
	Step 2 – B Submit Application Form	A duly filled application form attached with all the necessary documents must be submitted within the notified period
	Step 2 – C Admission Status	Admission status will be notified after the scrutiny of the application form, documents and seat availability in the respective program.
