प्यारी बेटियों,

शिक्षा व्यक्ति के सर्वांगीण विकास का प्रमुख माध्यम है। जीवन के प्रत्येक आयाम को उचित दिशा प्रदान करने में शिक्षा का अहम् योगदान है। शिक्षा प्राप्त करने के विविध स्तरों में महाविद्यालय की भूमिका को विशेष तौर पर रेखांकित किया जाना आवश्यक है। महाविद्यालय में विद्यार्थी न केवल ज्ञान की परिपक्वता की ओर अग्रसित होता है बल्कि समाज के विकास और कल्याण की दिशा में योगदान देने हेतु मानसिक रूप से सक्षम बनता है।

उच्च शिक्षा हेतु निःसंदेह एक गुणवत्तापूर्ण शैक्षिक संस्थान की आवश्यकता होती है जो कि भौतिक और मानवीय संसाधनों के साथ विद्यार्थियों के समग्र विकास की संकल्पना को साकार कर सके।

बालिका शिक्षा के विशेष संदर्भ में बात की जाए तो उच्च शिक्षा के प्रति अपेक्षा और उत्तरदायित्वों का दायरा और भी व्यापक हो जाता है। इन्हीं पक्षों और परिप्रेक्ष्यों को ध्यान में रखते हुए हमने किशनगढ़ में एक सुदृढ़ शैक्षिक संस्थान की स्थापना की है।

हमारा दृढ़ विश्वास है कि यह महाविद्यालय निश्चित ही किशनगढ़ व दूर-दराज की बालिकाओं के जीवन को उचित दिशा प्रदान करने के लक्ष्य को साकार करने में अपनी प्रभावी भूमिका का निर्वहन करेगा।

इन्हीं अनन्त मंगलकामनाओं के साथ।

अशोक पाटनी
अध्यक्ष

KNOWLEDGE IS POWER

प्रिय वंडर गर्ल्स,

सफलता प्राप्त करने के लिए सही समय पर सही निर्णय लेना आवश्यक होता है और इसके लिए एक गुणवत्तापूर्ण संस्थान का चयन करने का आपका निर्णय उचित होना चाहिए। आज के इस बदलते दौर में ऐसे संस्थानों की आवश्यकता है जो विद्यार्थियों को एकीकृत शिक्षा प्रदान करते हुए कौशल विकास के अवसर भी सुलभ कराए और सांस्कृतिक मूल्यों को संजोएँ रखने की प्रेरणा भी दें।

यह बताते हुए हमें प्रसन्नता है कि हमारा महाविद्यालय लगातार प्रगति के पथ पर अग्रसित होते हुए अपनी विशिष्ट पहचान बनाने हेतु प्रयासरत है। स्नातक स्तर के अकादमिक पाठ्यक्रमों से शुरुआत करते हुए वर्तमान में अध्यापक शिक्षा और स्नातकोत्तर पाठ्यक्रमों के साथ महाविद्यालय नई उँचाइयों को छूने की दिशा में गतिमान है। महाविद्यालय अकादमिक क्षेत्र के साथ विभिन्न सह-शैक्षिक गतिविधियों के माध्यम से विद्यार्थियों को अपने लक्ष्य को निर्धारित करने और उसे प्राप्त करने हेतु प्रेरित करता है। महाविद्यालय की अकादमिक उत्कृष्टता और अन्य उपलब्धियों का एक महत्वपूर्ण आधार हमारे संकाय सदस्य हैं जो अपनी कर्तव्यनिष्ठा और प्रतिबद्धता से संस्थान की स्थापना के निर्धारित लक्ष्यों और उद्देश्यों को प्राप्त करने में अपना योगदान दे रहे हैं।

मैं उच्च शिक्षा के माध्यम से अपनी पहचान बनाने के लिए इस संस्थान को चुनने और हमारे प्रयासों की शृंखला में अपनी प्रतिभागिता देने के लिए आपका स्वागत करता हूँ और आपके उज्वल भविष्य की कामना करता हूँ।

सी. ए. सुभाष अग्रवाल
निदेशक एवं सचिव

KNOWLEDGE IS POWER

Dear Students,

“Feminism isn’t about making women strong. Women are already strong. It’s about changing the way the world perceives that strength.” - G.D. Anderson

At the very outset, I welcome you all to another enthralling academic session. I wish you all a very rewarding academic and co-scholastic life on the campus. It gives me immense pleasure and a sense of responsibility to lead an institution which aims to empower women through education.

This college was built to fulfill the need for a girls’ college in this belt of Rajasthan which has low Gross Enrollment Ratio in the field of Higher Education. Today with a huge chunk of women students’ enrollment in the college, we are proud to announce our campus as a women driven space which centralises empowerment of women to meet the needs of contemporary times.

As an institution we aim towards holistic growth of an individual where educators seek to address the emotional, social, ethical, and academic needs of students in an integrated learning format. To keep up with the NEP 2020 policy of bridging the skill gap and empowering our youth for a promising future, our curriculum specially focuses on skill development of the students. The college also plans to generate employment in students by providing vocational training courses in the near future!

May the power of sisterhood illuminate your path!

Best wishes for future endeavors!

Dr. Ravi Sharma

Principal

KNOWLEDGE IS POWER

OUR ODYSSEY

The R.K. Group :

“Where Perseverance meets Performance”

R. K. Marble is a story with a renowned legacy of quality, service and dependability... Despite humble beginnings in 1989, today the R. K. Marble Group is the world's largest marble producer with a prestigious entry in the Guinness Book of World Records. The strong workforce of 5000 plus employees belonging to RK Marble and its sister concern Wonder Cement are the proud custodians of this gigantic empire.

Shri Ratanlal Kanwarlal Patni Foundation :
“We strive to make a difference”

“Shri Ratanlal Kanwarlal Patni Foundation” was established by the R.K. Marble Group in the year 1996 under the patronage of Pujya Baba Sahib, Late Shri Ratanlal Ji Patni. The trust has a long history of fulfilling corporate social responsibility in a plethora of sectors. Our focal areas of operation include healthcare, education, sustainable livelihood and allied social issues requiring intervention. This women's institution was also envisioned under the aegis of the foundation keeping in mind the state of under-developed female education in this belt of Rajasthan.

Shri Ratanlal Kanwarlal Patni Girls' College :
“Knowledge is Power”

The inception of Shri Ratanlal Kanwarlal Patni Girls' College in 2015 is a unique illustration of a Public-Private Partnership (between the Government of Rajasthan and the R.K. Group). The college is functioning as per the UGC guidelines. To fulfil the need for a girls' college in this belt of Rajasthan which has a low Gross Enrolment Ratio in the field of Higher education, the institution addresses the twin issue of higher education in general and women empowerment in particular.

Our Vision

We aspire to be an institution whose academic portfolio, educational model and unique perspective align with the shifting needs of the global society. Empowered through resources, collegiality and public support, the college will provide diverse communities with transforming educational opportunities and services. Together, we envision empowering women by providing avenues that foster professionalism, humanism and social responsibility.

Our Mission

- To provide accessible, affordable and the finest educational programmes through a unique blend of curricular, experiential, and research-based learning structures.
- To develop a student-centric culture augmenting critical thinking, information competency and communication skills; while focusing on vocational education and employability.
- To harness young talents and encourage them to take corporate and creative initiatives.
- To recognize the importance of cultural, social, environmental, and personal growth and development.
- To embrace a value-based system of education and aspire for the holistic development of our students.
- To effectively integrate Information and Communication Technology on the campus, developing competency and confidence among students.

CELLS & COMMITTEES

– Dedicated Team, Changing Dream to Reality.

Students' Grievance Redressal Cell:

The Grievance Redressal Cell aims to settle the grievances of the stakeholders within a reasonable period to further strengthen the bonding with the institution by providing them with all kinds of facilities for maintaining a convenient ambience of academic teaching and learning.

SC/ST Cell:

The SC/ST aims to empower the SC/ST students in the college by facilitating financial support from government agencies and other sources with efforts to bring students from such communities into the mainstream.

Women Development Cell:

The college has set up the Women's Development Cell (WDC) with the vision to initiate conversations and meaningful discussions on women's rights and gender equality. It aims to construct a society where women can live with dignity.

ISRO Outreach Program Cell:

We are Nodal Centre for IIRS-ISRO outreach programme and Courses which focus on strengthening the academic and user segment in space technology and its application using online learning platforms. This cell organizes all the workshops and sessions throughout the year, in the college for students, faculty and others.

Examination Cell:

Examination Cell aims to coordinate the conduct of Internal Examinations, Practical Examinations, and University Examinations. Important information regarding these examinations will be disseminated to the students.

Add-on Courses Cell:

This cell aims to provide job-oriented courses to the students to face the emerging challenges in the job market. The programme consists of certificate/Diploma/Advanced level courses. Students may opt for any course by enrolling and paying the additional fees and pursuing it along with their regular degree programmes.

Anti-Sexual Harassment Cell:

It is established as per the guidelines of UGC and the Hon'ble Supreme Court of India to provide a safe, secure and congenial atmosphere to the staff and the students. Its objective is to combat the scourge of sexual harassment and integrate the guidelines against it for an impartial institutional policy.

AISHE Cell :

The Ministry of Human Resource Development (MHRD) has Endeavored to conduct an annual web-based All India Survey on Higher Education (AISHE) to document the status of Higher Education in the country. The cell compiles and uploads reliable and comprehensive institutional data to the AISHE web portal.

IQAC Cell :

The "Internal Quality Assurance Cell (IQAC)" is an internal quality assurance mechanism of the institution. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges.

Training and Placement Cell :

The T&P Cell aims to provide 100% assistance in the placements of the students. The cell intends to counsel students regarding academic programmes for further education, various competitive exams, employment opportunities in different sectors and plans to organize campus placement drives in the college.

UBA Cell :

UBA Unnat Bharat Abhiyan (UBA) is a flagship program of the Ministry of Human Resource Development (MHRD) Govt. of India. UBA aims to bring a transformational change in rural development through the active participation of higher academic institutions with local communities, and reorientation of curricula and R&D design of knowledge Institutions.

Anti-Ragging Committee:

Anti-Ragging Committee aims to preserve a Culture of a Ragging Free Environment on the Campus. Anti-Ragging Committee will be involved in designing strategies and action plans for curbing the Menace of Ragging in the college.

CAMPUS AT GLANCE

"The infrastructure and facilities available on campus are best."

The infrastructure of a college plays a vital role in the overall development of a student. Only then the students can get hands-on experience with the latest technologies. The SRKPGC campus spreads over 15 acres in a beautiful and serene atmosphere ideally suited for our Wonder Girls. The infrastructure and facilities available on campus are at par in excellence. It is a wholly self-contained campus comprising everything that our students on campus would ever require.

Come! see it to believe it. Or you may take a virtual campus tour by scanning this QR Code from your Mobile

Academic Manifesto

Our Pledge... Holistic Education

Pedagogy:

At SRKPGC we employ state-of-the-art teaching methodologies to facilitate the smooth functioning of the teaching-learning process. Our up to date e-learning platforms guarantee the effectiveness of these strategies to ensure productive learning outcomes.

Assessment and Evaluation:

Our specialized faculty members use formative, summative and process assessment procedures for the continuous evaluation of our students. We conduct Internals, Mock Practical and Pre-University Examination to drill our students to face their final exams

Tutorial and Remedial Classes:

Tutorial teaching is a unique aspect of the educational experience at SRKPGC. These interactive sessions are specially designed for the students who need additional support and guidance to clear their doubts and problems

Research and Project-Based Learning:

The college nurtures various research and project initiatives that offer opportunities in a multidisciplinary environment. Our strong inclination towards research encourages the spirit of innovation in the institution. The students are motivated to submit at least 2 major or minor projects annually in their fields of interest.

Workshops, Seminars and Extension Lectures :

We invite renowned academicians, intellectuals, professionals and industry experts to address the students on relevant subjects to give a new dimension to their classroom learning. We host regular workshops giving a chance to the students to get hands-on experience on the latest advancement in their respective fields and to gain knowledge beyond the syllabus.

Industrial Training, Visits and Excursions:

We organize regular industrial visits where our students get exposure to industrial practices, bridging the gap between theoretical training and practical learning while honing their communication and interpersonal skills. Educational excursions or tours are short trips by students, under the supervision of the faculty members.

Parents Teacher Meeting:

It is a highly participative forum where faculty and parents exchange feedback and continuously strive to perform strategies for the overall development of the students.

Feedback:

We are committed to the highest standards of education for our students, and encourage them to provide rational and constructive feedback concerning teaching and non-teaching staff, institutional policies and campus facilities.

Student Development Program:

We encourage our students to participate in various Students Development Programs, continuously motivating them to bring innovation in their learning modes and upgrading their skill set to imbibe technological advancements.

STUDENT SUPPORT INITIATIVES

Skill Based Courses:

The set of Skill Based Programmes that we offer at our college aims at practical learning and professional knowledge to deliver systematic training and vocational skills.

IIRS, ISRO:

Our college is a network institute of the IIRS Outreach Programme by the Indian Institute of Remote Sensing (IIRS, ISRO), Dehradun.

NGO Internships:

The students at our college may opt for an internship at an NGO for a given duration. These internships create and sustain opportunities for meaningful engagements with society through thoughtful actions.

Websites:

The college website www.rkgirlscollege.edu.in is a hub of all the institutional information providing time-to-time updates regarding course structure, additional programmes, college activities and media coverage.

NSS:

At present, our college has 3 Units 1 Government and 2 SFU (Self Finance Units). Students may register for NSS at the beginning of the session.

Mentorships:

In the mentorship program we pair an older student with a new student. The mentoring student can help newcomers with studying and offer assistance in whatever a new student may need.

Pre-Admission Counseling:

To provide a student with the best career ahead, the pre-admission counseling session with the Heads of each department imparts important features about each course and its prospects. All doubts and confusion of students and parents are cleared before admission.

Scout:

The college functionalized two Units of Rangers for girls with the strength of 24 students in each unit from the academic year 2021-22.

RKCL Courses:

Our college is the centre for Rajasthan Knowledge Corporation Limited (RKCL), authorized to conduct various low cost IT literacy programme. The training is provided in our sophisticated computer labs by a well-qualified and experienced faculty.

Competitive Exam Classes:

We, not only, award degrees to our students; but also prepare them for competitive exams like RPSC, NET, CAT/ MAT, CA-CPT, RAS/ IAS, SSC, Bank PO/ Clerk and other govt. exams.

College Publications:

Our college has two in-house publications, namely College Newsletter "RK-Voice" and "Ratnank". The glimpses of the year-round activities on the campus are captured in the "College Newsletter" - "RK-Voice"; while "Ratnank" is a bilingual magazine featuring self-composed articles, poems, stories and the original artwork contributed by the students and faculty members.

ERP:

Our college is equipped with the latest ERP Software to cater to all the data specific needs of students and parents. ERP App is accessible to staff, students and parents.

Scholarship Rebates and awards:

College Scholarship Cell provides 100% assistance to the student to apply for all the government scholarships. Further, RK Foundation also provides financial assistance to the students subject to the fulfillment of eligibility.

Clubs:

To cater for the hobbies and interests of the students, the college offer memberships of 12 different clubs. Students may opt for the membership of any three clubs at the beginning of the session, one club being the primary club.

NCC:

A Senior Wing of NCC Army and Air Wing is allotted for the first time to SRKPGC from the academic year 2022-23.

BACHELOR OF ARTS

Course outline:

The Bachelor of Arts is a flexible degree that provides the student with the optimal balance between a defined sequence of study and a flexible course option. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Add-on Course:

RS-CIT, Spoken English and Communication Skills, प्रयोजनमूलक हिन्दी, Competitive Exam Preparation Classes, NGO Management, MS-Office, IIRS, ISRO Courses etc.

BACHELOR OF SCIENCE

Course outline :

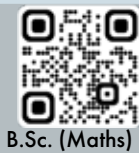

A Bachelor of Science (Mathematics) is ideal for talented students willing to combine their interest in mathematics with other areas of science and technology. It is a three year (full-time) course which includes various aspects of mathematics with core courses in algebra, analysis, applied mathematics and mathematical methods. Students with a bent on logical reasoning and data interpretation may opt for this discipline. The course content covered in this course will help you to sharpen your ability to solve problems, think logically, construct mathematical and computer models, and research and analyze complex situations. These skills are highly sought after and will open the doors to many satisfying and challenging careers

The Bachelor of Science (Biology) curriculum offers a broad, integrated and in-depth approach to the life sciences. The course provides comprehensive knowledge for the study of organisms and their relationships with the environment including their structure, function, growth, origin, evolution, distribution, taxonomy, and properties. It is suitable for students who are likely to pursue their careers in the said field. It also prepares students to function effectively in a variety of technical and laboratory research settings such as cell biology, Genetics, Biochemistry, Molecular Biology, Microbiology, Biotechnology, Biostatistics and Bioinformatics.

The Bachelor of Science (Home Science) is a three year (full-time) course which covers the study of various sciences that involve food & nutrition, health & growth measures, clothing, child care, home beautification, and community service. As a discipline, Home Science integrates ingredients of science, social science and technology to facilitate the study and enhance the quality of human life. The approach, is, therefore, inherently interdisciplinary. Higher education learning in this field will provide you with the opportunity to sharpen your capacities with a sense of social responsibility. With the focus being a healthy family ecosystem, home science is the education for "better living" which deals with reciprocal relations between the family and its natural and man-made environments.

B.Sc. (Maths)

B.Sc. (Home Science)

B.Sc. (Bio)

Eligibility : As per the norms of the MDS University, Ajmer

Duration : 3 Years (Annual Pattern)

Subject offered :

Mathematics Group: Physics, Chemistry and Mathematics

Biology Group: Botany, Chemistry and Zoology

B.Sc. Home Science : As per The Syllabus of MDS University, Ajmer

Outcome :

A Bachelor of Science offers theoretical as well as practical knowledge about different subject areas. This course forms the basis of science for a coherent understanding of the academic field to pursue multi and interdisciplinary science careers in future. These subjects include Physics, Chemistry, Mathematics, Botany and Zoology.

Career Opportunities :

After B.Sc., you can choose from a plethora of job opportunities across various sectors like research, laboratory technician, pharmaceuticals, biotechnology, and food science. If you want to pursue a job in the government sector, here are the major exams you can prepare for after B.Sc.: Indian Forest Service's Exam, RPSC and UPSC Exams, Railway Exams, Bank Exams, Exam, SSC etc.

Add on Courses :

To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Add-on Courses :

RS-CIT, Spoken English and Communication Skills, Competitive Exam Preparation Classes, MS-Office and RKCL Courses.

BACHELOR OF COMMERCE (PASS COURSE AND HONORS)

The Bachelor of Commerce (Pass Course) programme prepares you for a career in accounting, banking, finance and information systems. It is a three year(full-time) course modeled to offer a basic foundation in all the aspects of commerce. The course will build a solid foundation of business skills that you may apply to many decisions related to the contemporary business environment. The combination of core skills and specialized knowledge learned in the bachelor of commerce will enable you to adapt effectively to a rapidly changing business world; and as a result, be in high demand.

The Bachelor of Commerce (Honors) is a graduate degree programme that focuses on the systematic study of the concepts of accountancy, business studies, statistics, economics, taxation, security analysis and portfolio management, auditing, etc. The course can expand the financial acumen skills of the students which will further open doors for various positions in the financial world. In addition, you will gain analytical, technical and practical skills to apply your knowledge effectively. The course is popular among those students who want to make a career in multinational companies, banking, finance and related sectors.

Eligibility : As per the norms of the MDS University, Ajmer

Duration : 3 Years (Annual Pattern)

Subject offered by the college

B.Com Honors and B.Com (Pass Course) : As per the syllabus of MDS University, Ajmer

Outcomes :

Students would gain a thorough foundation in the fundamentals of Commerce. The curriculum offers several specializations and practical exposures which would equip the student to face the modern-day challenges in commerce. Students will be able to demonstrate progressive learning of various commerce-related activities. Learners will be able to recognize the features and roles of businessmen, entrepreneurs, managers, consultants, academicians, bankers etc.

Career Opportunities :

There is a wide range of courses for commerce students to choose from. A career in the commerce stream can be especially lucrative and rewarding if done with proper guidance and add-on courses. Some career opportunities and job roles for commerce graduates are Accountant, Financial Analyst, Investment Analyst, Portfolio Manager, Tax Consultant, Auditor, Cost Accountant, Marketing Manager, Sales Representative, Business Analyst, Entrepreneur, and Employee Relations Manager.

Add on Courses :

To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. B.A. B.Ed. & B.Sc. B.Ed. 4 Years Integrated Program

Course outline

The teacher education program is a systematic plan of knowledge and activities wrapped in the form of a course to help the students of today become the professional of tomorrow. Teacher education programme facilitates professionals to contribute to attaining the national goal. It refers to the policies, procedures and provisions designed to equip the prospective teacher with the knowledge, attitude, behaviour and skill they require performing their task effectively in the classroom, school and the wider community.

As per norms and standards, NCTE, the four-year integrated Programme aims at integrating general studies comprising science (B.Sc. B.Ed.) and Social Science and Humanities (B.A. B.Ed.), and professional studies comprising the foundation of education, pedagogy of school subjects and practicum related to the tasks and functions of a school teacher. It maintains a balance between theory and practice, and coherence and integration, among the components of the program, representing the wide knowledge base of a secondary school teacher.

Objectives:

- Developing a sort of awareness in trainers about self and society
- Inculcating values of self discipline, self-reliance, truth and honesty etc
- Providing opportunities for a positive social attitude.
- Making teacher trainees sensitive to the value need of children
- Providing awareness about education for peace

For fulfilling these aims and objectives and contributing to national development, the institute took initiative and established the Department of Education for running B.A. B. Ed/B.Sc. B. Ed four year integrated programme from session 2018-19

Eligibility: As per university norms admission to the B.A.B.Ed. and B.Sc.B.Ed. (4 years integrated course) programme is through the entrance exam (PTET). For appearing in the entrance exam a candidate must fulfil the minimum eligibility as displayed on the official website.

In case you have any query, please scan this QR code to get in touch with the Course Coordinator

Duration: 4 years (annual pattern)

Approved by: Government of Rajasthan & National Council for Teacher's Education (NCTE), New Delhi

Learning Outcomes :

After completing these courses, students will be able to understand basic concepts and ideas of educational theory. She will build understanding and perspective on the nature of the learner, diversity and learning. Student will develop an understanding of the concept of assessment and its practices and analyze the structure of knowledge as reflected in disciplinary streams and subjects. Lastly, student will gain an ability to communicate effectively.

Career Opportunities :

These integrated programmes unlock the multiple career options in the field of education. After completion of this degree, students can go for teaching jobs in different government and private institutions. They develop the traits of being potentially employable in government schools, private schools, etc.

Add on and Skill Based Courses :

To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Add-on Course :

RS-CIT, Spoken English and Communication Skills, Competitive Exam Preparation Classes (REET/CTET/ First Grade, Second Grade and Third Grade Examinations), प्रयोजन मूलक हिन्दी, Basics of Computer and MS-Office etc.

BACHELOR OF COMPUTER APPLICATION

Course Outline :

BCA is a three-year (full-time) annual program where students with an analytical bent of mind will be exposed to various problem-solving techniques and programming languages. In recent years, BCA has emerged as one of the in-demand vocational courses it has opened a lot of opportunities for the students who are interested in the field of computer application and information technology. The course helps them to develop programming skills, networking skills, and learn application packages, programming languages and modern technologies of Information Technology.

Eligibility: As per the norms of the MDS University, Ajmer

Duration: 3 Years (Annual Pattern)

Learning Outcomes :

Ability to design, develop algorithms and provide software solutions to cater the industrial needs. Inculcate skills to excel in the fields of Information Technology and its Enabled services, Government and Private sectors, Teaching and Research. To instill ethical responsibilities, and human and professional values and make their contribution to society. Cultivate skills for a successful career, entrepreneurship and higher studies through self-directed and lifelong Learning

Career Opportunities :

After completing BCA, you may pursue post-graduation courses like M.Sc. (CS), MCA, MBA etc. or you may land lucrative Tech Jobs offered by IT Companies with roles like Software Developer, Technical Support, IT Analyst, Web Developer, Junior Analyst, Computer Support Service Specialist, and Software Publisher etc. Students may prepare for various Government Exams like RPSC, IA, SSC CGL, BHEL, Bank exams, Railway Exams etc.

Add on Courses :

The add-on course gives you an insight into the area of specialization you want to pursue and also gives you a chance to excel and have one step ahead of others. To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Skill Based Courses:

RS-CIT, Communication Skills and Spoken English, RKCL Courses, Short Term Certificate Courses in various Programming Languages and Software Packages.

POST GRADUATE COURSES (SCIENCE)

M.Sc. Mathematics:

MSc Mathematics is a 2-year postgraduate course dealing with providing in-depth knowledge of advanced and applied mathematics like Algebra, Tensor Analysis, Functional Analysis, Optimization Techniques, Statistics, Differential and Integral Equations etc. and preparing them for various research activities. Our Mission is to prepare post-graduate students for productive careers in academics by providing an excellent environment for teaching, learning, and research in the theory and applications of Mathematics. We aim to produce highly qualified and well-rounded candidates possessing Advance knowledge of mathematics and to pursue creative research to serve the needs of the academic and the scientific community by expanding and contributing knowledge in the field.

Eligibility: As per the norms the MDS University, Ajmer

Duration: 2 Years (4 Semesters)

M.Sc. Zoology

A postgraduate degree in Zoology encompasses the general investigation of the ideas of biosciences. Zoology is a branch of biology that focuses on animals and animal life. Some Zoologists study very small microorganisms and even cells and parts of cells. Other Zoologists study very large organisms, aquatic life, and terrestrial life such as whales, elephants and even whole populations of animals. Zoologists observe and sometimes conduct experiments on animals, either in the wild or in a controlled setting. The subjects studied range from Taxonomy, Molecular Biology, Evolution, Genetics, Ethology, Wildlife Biology, Biodiversity, Immunology, Biotechnology, Microbiology, Physiology, Biochemistry, Developmental Biology, Ecology, Endocrinology, Biostatistics, and Bioinstrumentation etc. with many specializations in semester III and IV.

Eligibility: As per the norms of the MDS University, Ajmer

Duration : 2 Years (4 Semesters)

M.Sc. Computer Science:

M.Sc. Computer Science is an ideal programme for students who have an interest in Computer Science and want to study the Computer Science subject at the postgraduate level. M.Sc. in Computer Science is a technical course which provides students with an opportunity to develop proficiency and core competence in the field of Computer Science. Students can land lucrative jobs after completing this course, especially in software development companies. The objective of the M.Sc. in Computer Science course is to hone the skills of students who are computer science enthusiasts and enhance their skills while imparting knowledge of the global standard. Students are furnished with proper information and learning so that they can put their skills in the various thrust areas of the vast field of computer science, equipped with the proper blend of theoretical as well as practical knowledge.

Eligibility: As per the norms of MDS University, Ajmer

Duration: 2 Years – 4 Semesters

Add on course:

To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Add-on Course:

UGC NET/RPSC SET preparation, RS-CIT, Spoken English and Communication Skills, Competitive Exam Preparation Classes, MS-Office and various RLCL Program etc.

POST GRADUATE COURSES (ARTS)

MA Geography

M.A. Geography is a two years postgraduate course and graduate students with a Bachelor's degree from a recognized university can pursue this program. This program deals with Earth Sciences, including human, physical, regional, and economic aspects, which are imbibed in the learners through advanced academic exploration. The students with their post-graduate degrees in Geography can find jobs in administrative services at Central and State Levels, can opt for college lecturership, they can also be Environment Conservationist, Meteorologist, Agricultural specialists, Geographer, Cartographer, Demographer, or Forest Managers.

Eligibility: As per the norms of the MDS University, Ajmer

Duration- 2 Years – (Annual Pattern)

MA Home Science

A degree course in home science subjects moulds students into responsible citizens who can manage home and community together since it deals with various aspects such as child development, human physiology, foods and nutrition, extension education home management, human development and child study, clothing and textile.

Eligibility: As per the norms of the MDS University, Ajmer

Duration- 2 Years – (Annual Pattern)

एम.ए. हिंदी साहित्य

एम.ए. हिंदी साहित्य, हिंदी भाषा एवं साहित्य का दो वर्षीय डिग्री पाठ्यक्रम है। इस पाठ्यक्रम के माध्यम से विद्यार्थी हिन्दी भाषा, साहित्य व साहित्य शास्त्र का विस्तृत एवं गहन अध्ययन करते हुए साहित्य ज्ञान में प्रवृत्त होता है। यह पाठ्यक्रम विद्यार्थी में लेखन, पठन पाठन एवं उच्च शिक्षा में भविष्य की राह प्रशस्त करता है। हमारा विद्यार्थी साहित्य में अपने सपनों को साकार कर सके, इस समृद्ध सोच के साथ एम.ए. हिंदी साहित्य पाठ्यक्रम प्रस्तावित है।

पात्रता : महर्षि दयानन्द सरस्वती विश्वविद्यालय, अजमेर के मानदंडों के अनुसार

पाठ्यक्रम अवधि : 2 वर्ष

Add on Course

To enhance the employability and skill set of the student, the department offers various skill-based programs and add-on courses to choose from. Students are counseled and encouraged to enroll in these courses at the beginning of the session. A student may register for any of these courses by paying an additional fee.

Suggested Add-on Course:

UGC NET/ RPSC SET preparation, RS-CIT, Spoken English and Communication Skills, प्रयोजन मूलक हिन्दी, Competitive Exam Preparation Classes, NGO Management, MS-Office etc.

Preface :

“Reading is to the mind, what Exercise is to the body?”

The library is the Heart of an Educational Institution. The college library stimulates the students to obtain, evaluate and recognize knowledge and to familiarize themselves with the trends of knowledge for further education and learning new disciplines. The college provides ample scope and opportunity for the students to read and learn a lot from a wide variety of Newspapers and Magazines available in the Reading room.

Preface :

The Department of Sports at SRKPGC promotes student participation in various outdoor and indoor games. Students are encouraged to participate in outdoor and indoor games. We promote competitive games and sports on the State and National levels by organizing sports activities and tournaments with world-class sports infrastructure on the campus. The specialized training programmes and sports camps are organized from time to time to equip/update/enable the students with the latest required knowledge and scientific research for promoting sports.

Sports Infrastructure at a glance :

Infrastructure and equipment are the backbones of sports. Realising the benefits of sports, we have specially developed a sports infrastructure and activities that match the standards and give a healthy sports experience to all our students, all of which are provided to students within the campus. There are multiple sports facilities to keep our students engaged and physically fit.

- > Football cum Hockey Ground
- > Basket Ball and Volleyball Court
- > Kho-Kho and Kabaddi Ground
- > Cricket Ground
- > Lawn Tennis Court
- > Athletics

Indoor Sports include Table-Tennis, Badminton, Billiards, Chess, and Carrom, Yoga etc.

Sports Scholarships :

Merit Award for Sports Player: The objective of this scholarship is to provide foundational support to young sportspersons and recognise their achievements at the international, national and state levels. Along with the financial support, the scholarship will also focus on encouraging the budding talents by proper mentorship as and when required. For details please contact College Helpdesk.

Achievement at various levels

Our students represented M.D.S. University at various tournaments in 2022:

- Swati Tiwari B.Sc. B.Ed. III year- selected for Inter University Lawn Tennis Tournament.
- Kiran Kushwaha B.Sc. B.Ed. III year- selected for Inter University Kho-Kho Tournament.
- Bharti Sharma B.Sc. III year- selected for All India University Yoga Tournament.
- Ayushi Soni B.A. II year- selected for All India University Wrestling (76 Kg) Tournament.

34th Intercollegiate Athletics tournament M. D.S. University, Ajmer organized by Dayanand College Ajmer:

- Shot Put Bronze medal Ayushi Soni B.A. II year.

34th Intercollegiate Wrestling tournament M.D.S. University, Ajmer organized by Dayanand College Ajmer:

- 76 Kg Gold medal by Ayushi Soni B.A. II year.
- 50 Kg Silver medal by Kavita Kumari B.A. II year.
- 72 Kg Bronze medal by Kirti Jhadotiya B.A. II year.

11th Hockey India Junior Women National Championship in 2021:

- Kanta B.A. III year -selected for Junior National Hockey Tournament.
- Shweta Chaudhary B.A. II year -selected for Junior National Hockey Tournament.
- Kuddeep Kaur B.A. II year -selected for Junior National Hockey Tournament.

12th Hockey India Junior Women National Championship in 2022:

- Shweta Chaudhary B.A. II year -selected for Junior National Hockey Tournament.

STUDENTS' LIFE

Student Life includes service, leadership, friendships and that hard-to-define essence that makes college more than a collection of classes or buildings. Maximize your college experience by getting involved in a student club, playing a sport or attending events at one or more of our campuses.

CLUBS

Preface :

A club is "a group of students organized with a similar interest for a social, literary, athletic, political, hobby, interest or other common purposes". To help students to pursue such interests the student clubs are constituted. Students have the opportunity and choose to join these groups for many reasons including the pursuit of individual interests, career networking opportunities, social camaraderie and skill development. Students can unravel their strengths like multitasking, organization skills, team-building skills, leadership skills and service mindedness.

Science Club (Infinity) : The club aims to stimulate the pursuit of scientific knowledge and enhances the understanding of the prescribed academic curriculum through activities like field surveys, exhibitions, working models, projects, field photography and seminars.

Literary Club (Sahityam) : The literary enthusiasts get together to organize various activities like prose and poetry writing, debates, extempore, book reviews, and literary quizzes. These activities develop creative and critical thinking while emphasizing allied soft skills.

Social Awareness Club (Prayas) : The club aims to create awareness and sensitize students about social issues while at the same time motivating them to develop leadership qualities through self-awareness and make them responsible citizens.

Films & Photography Club (Lens Queens): The club give a platform to bring together like-minded people and share knowledge about the art and science of Film Making and Photography. The club "focuses" on the interaction between experts and students in addition to enhancing peer learning.

Cultural Club (Ardhamandali) : This is a forum through which the students collaborate with faculty members to plan and participate in college events like Independence Day, Orientation Programme, Teachers' Day, and Republic Day; thereby cultivating leadership and management skills.

Research & Innovation Club (Abhinav): The club aims to connect, collaborate, organize and socialize students and excels in innovative and creative thinking among students. The club organizes workshops, events, and competitions to provide students with a hands-on learning experience.

Tech Club (The Technocrats) : The club offers a platform to explore students' latent talents in a collaborative learning environment; enabling them to come up with innovative ideas. This club also conducts engaging talks on recent IT trends and dynamic workshops on new technologies.

Nature and Wildlife Club (Flauna Friends) : The club has been committed to sensitizing and mobilizing students' participation in the preservation and conservation of the environment. The club organizes talks, activities, and excursions and celebrates wildlife week to educate the members about the diversity found in our mother nature.

Entrepreneurship Club (Enovate): This club aims to cultivate and equips budding entrepreneurs for the future and to turn their ideas and passions into businesses. This club will help to develop future business leaders and it will act as a platform for applying and exercising academic learnt skills.

Creativity Club (Srijan) : The purpose of the club is to make the college environment more creative and interesting. The club focuses on churning out different ideas from students which in turn helps in enhancing their thinking and perspective. creative club is also responsible for the aesthetics of the events carried out throughout the year.

Sports & Recreation Club (RK Warriors) : The club aims to pave the way towards excellence through the holistic development of students and to assist and cultivate learning through competition, recreation and physical activity that imbibes leadership, teamwork, & resilience.

Personality Development Club (Abhyudaya): The club aims to provide students with a cohesive and integrated personality development program which helps them improve their communication and leadership.

NSS

Preface :

The overall aim of the National Service Scheme is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in the educational institution.

At present, our college has 3 Units 1 Government and 2 SFU (Self Finance Units)). The volunteer strength of each unit is 100. Throughout the year, NSS conducts regular and special camps, awareness classes, demonstrations, personality development programmes, workshops etc. for the volunteers. Blood Donation, Tree Plantation, Health Checkup and Treatment Camps, Legal Awareness Camps, Gender Sensitization Camps, Environment Awareness Camps and AIDS Awareness Camps and other social service activities are conducted are the laudable activities.

Achievements:

1. It is a moment of Pride & Honor for our college that the Fourth Time in a row, our NSS volunteer Ms Ayushi Tanwar B.Sc.Part III (Maths) was shortlisted to represent Rajasthan State to take part in the Republic Day Parade at the Rajpath New Delhi 2022.
2. Our college participated fourth time in NYF (National Youth Festival) and NIC (National Integration camp).
3. We are delighted to share that this year our college NSS Unit has received three NSS State Awards. Our college is the first college in the region to grab all three prestigious awards of NSS, Best College, Best NSS Officer and Best Volunteer.

Recognition at State Level :

1. Our College received the **Best Performing Institutional NSS Award**.
2. Our NSS Convener **Dr. Ruchi Mishra** was honoured as the **Best Programme Officer in the State**.
3. Our Student **Ms. Neha Khangarot** was shortlisted as the **Best NSS Volunteer in the State**.

SCOUT AND NCC

Scout :

Under the Bharat Scout Guide Rangers scheme in the college, there is a proper arrangement for the training of girl students, a first-year graduate student can get enrollment for the Bharat Scout Guide Ranger. The age of the student should be 15 to 25 years, the student will be selected based on her ability and the rules and regulations of Bharat Scout Guide, the training of girls under the training scheme of Bharat Scout Guide State (Rajasthan) Headquarters. In Bharat Scout Guide, district level, state level and national level awards are given by various covers. To get register yourself for being a part of the Bharat Scout and Guide Unit.

The purpose of the movement is to contribute to the development of young people in achieving their full physical, intellectual, emotional, social and spiritual potentials as individuals, responsible citizens and members of local, national and international communities. The scout/guide movement is based on the principles of Duty to God, Duty to Others and Duty to self.

NCC :

A Senior Wing of NCC Army with a sanctioned strength of 50 cadets is allotted for the first time to SRKPGC from the academic year 2022-23. It is open to school college and University students on voluntary basis. NCC is a Tri- Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens.

APPRECIATION, AWARDS AND PRIZES

Preface:

The college is provided various award and prizes to the students on the basis of their performance in academic and extra-curricular activities for appreciating their efforts and contributions.

Baba Saheb Award:

Baba Saheb Award to 1st to 10th position holders in the University main examination (cumulative in all three years) will be given a **cash prize of Rs. 11,000 each**. (Terms and Conditions apply)

Shri R. K. Memorial Awards:

For encouraging faculty and students, the college introduces Shri R.K. Memorial Awards. According to the terms and conditions specific to the respective award, the concern one is shortlisted and selected and the awards are distributed in the annual function of the college.

The Awards are classified into two Categories-

For Faculty:

Faculty members are awarded the best faculty and employee.

For Students :

The students awards are given into two sections :

Academic Excellence Award- The best students in every class are awarded cash prizes and certificates.

Student of the year Award- Club Wise best students are awarded cash prizes and certificates.

Activities, Events and Programs:

Every Department of the College is committed to the overall development of the students, in this reference, exposure is given to the student to participate in activities and programs.

PLACEMENTS

At SRKPGC we strive to help each student in exploring placement opportunities by inviting various companies for campus recruitment of students.

The placement assistance provided is comprised of a very systematic interaction with the industry and continuous career counselling of the students. Right from the beginning of the session, students are continuously counselled concerning their career aspirations and options, which in turn is vigorously followed up with the potential recruiters for participating in the placement activities conducted throughout the year. This not only helps the students in getting their 'dream' jobs but also assists the visiting placement companies in identifying the 'right' candidate for their organization.

ALUMNI AND ACHIEVERS

Alumni Speaks...

SRKPCS provided me with a great balance of academics and extracurricular activities. The great college life I experienced here was profoundly aided by the teachers. The time I have spent in this college is paving the way towards fruitful and enriching career.

Nishi Kasliwal, BA (Batch 2015-18)
Student Union President (2015-16)

When I first entered SRKPGC I was anxious about my future. Over the three years, so many doors were opened for my personal and academic development that I became confident. The college aims at enhancing our knowledge, skills and abilities.

Anjali Jain (BCA Batch 2015-18)
Full Stack Engineering Analyst
Accenture, Bangalore

Firstly, SRKPGC is not a college, it is a brand. It is unique in all aspects. Energy is like in the air of its environment. I am so grateful to be a part of this college. There are so many opportunities to develop one's personality in every dimension. It was very precious and golden phase of my life.

Prerna Anchaliya (B.Com Hons. Batch 2015-2018)
Talent acquisition specialist at Deloitte

My days at SRKPGC remind me of the vibrant classrooms and the super supportive faculty. The College enhanced the creativity in me and made me realize my hidden talents. The time I have spent in this college is paving the way towards fruitful and enriching career.

Anjali Goyal (B.Com PC Batch 2016 - 2019)
Senior Analyst, Genpact Enterprise Risk Consulting LLP

Finding the right path to success at the right time is very important and for that, I am completely contented that I chose BCA at SRKPGC. I am indebted to the faculties and supporting staff of the BCA Department for guiding me to success in my education and eventually to a good career.

Nidhi Sharma (BCA Batch 2015-18)
System Engineer, Infosys, Bangalore

It's been fortunate to be a part of the RK Girls College, where I got the platform to enrich my skills and henceforth a bright light towards my life, with the support and endeavor of my faculty members all the way with my family.

Vandana Jangid BA (Batch 2015-18)
Second Position, Jain Sur Sangam 2017

Achievements-applauds, opportunities-thoughts, this is what I gained from SRKPGC. This college gave me a platform that I will cherish always. The pleasant environment which attracts the students to Be in college every day.

Riya Jain (BBA Batch 2016-19)
Relationship Manager, Sundaria Fund Services, Jaipur

Achievers

Khushbu Jangid

(B.Sc. Math Batch 2015-18)
Qualified NET-JRF-AIR-78, Qualified IIT JAM-AIR-200 and completed her M.Sc. (Chemistry) from IIT, Kanpur. Currently she is Pursuing Ph.D. from Institute of Organic Chemistry, University of Stuttgart, Stuttgart, Germany.

Harshita Seksaria

(B.Sc. Math Batch 2015-18)
qualified NET-JRF-AIR-78, NET-JRF-AIR-62, GATE- AIR-107 and currently she is pursuing PhD from INST Mohali. Our dedicated faculty members aims to provide the students with ample opportunities.

Aayushi Tanwar

B.Sc.Part III (Maths) was shortlisted to represent Rajasthan State to take part in the Republic Day Parade at the Rajpath New Delhi 2022. It is a moment of Pride & Honor for our college that in Row Fourth Time our NSS volunteer participated in the Parade.
