MEET THE MANAGEMENT

प्रिय विद्यार्थियों,

शिक्षा अपनी मंजिल, अपने सपनों एवं अपने लक्ष्यों को प्राप्त करने की एक ज्ञानमयी उड़ान है। इस अपंखी उड़ान में जाने कितने ही बादल रूपी हवाई पहाड़ हो, दृढ़ निश्चयी व संकल्पित व्यक्तित्व अपने निश्चित मुकाम तक पहुँच जाता है। कुछ ऐसे स्वर्णिम स्वप्नों को संजोये हमारा महाविद्यालय हमारी बेटियों को शैक्षिक पंख प्रदान कर उन्हें सक्षम बनाने हेतु अपने नवीन आयाम की ओर कदम बढ़ाते हुए लक्ष्यनिष्ठ है।

मुझे पूर्ण विश्वास है आपकी इस उड़ान एवं कदमों की सफलतम गति को यह महाविद्यालय द्रुतगति देने में सक्षम सिद्ध होगा एवं आपके सपनों को पूर्ण मूर्त रूप देते हुए समाज में गौरव स्थापित करेगा। हर कदम, हर डगर पर मेरी शुभकामनाएँ सदैव आपके साथ है।

मंगलकामनाओं सहित।

अशोक पाटनी
अध्यक्ष

प्यारे विद्यार्थियों,

भारत के नवनिर्माण में शिक्षा वह अहम् बिन्दु है जिससे ज्ञान, समृद्धि व आत्मनिर्भरता आती है। इस ज्ञान की गरिमा को प्रस्फुटित करने के लिए एक सच्चे साधक रूपी गुरु की आवश्यकता होती है। एक सच्चा गुरु ही अपने शिष्य को सफलता की ऊँचाईयों तक ले जाता है, जिसकी कल्पना शिष्य करता है। यही विनम्र प्रयास हमारे महाविद्यालय का है, जिसमें शिक्षक विद्यार्थी को अपने लक्ष्य की ओर प्रेरित करते हुए उसमें कौशल का हुनर स्थापित करता है। मुझे विश्वास है हमारी 'वंडर गर्ल्स' इस महाविद्यालय में अपनी ज्ञान आभा में वृद्धि करते हुए स्वयं को गौरवान्वित महसूस करेंगी।

मैं आप सभी के उज्ज्वल भविष्य की कामना करता हूँ।

CA सुभाष अग्रवाल
सचिव

Dear Students,

At the very outset, I welcome you all to the various programmes of studies and wish you a very rewarding academic and co-scholastic life on this campus. It gives me immense pleasure and a sense of responsibility to lead an institution with its unprecedented blend of traditional education and modernity. We, at SRKPGC, take pride in offering contemporary courses in various disciplines along with a plethora of employability centric programmes.

The college, spread in 15 acres of self-contained township boasts off its serene lush green campus with an environment conducive to personal growth, creativity and learning. The college strives for an intellectual accomplishment through its excellent infrastructure including sports facilities of international standards, sophisticated laboratories for empirical training, smart classrooms for effective learning and an expansive library rich in textbooks, reference books, competitive exam books, journals, encyclopedias and dictionaries.

We are proud of producing women of character who will be the future citizens and leaders of the nation, fulfilling the vision of the Founder.

May the light of knowledge illuminate your path.

Dr. Vandana Bhatnagar
Principal

THE BEGINNING

R.K.Marble is a story with a renowned legacy of quality, service and dependability. In spite of humble beginnings in 1989, today the R.K. Marble Group is the world's leading marble producer with the prestigious entry in the Guinness Book of World Records. The strong workforce of 5000 plus employees belonging to RK Marble and its group concern Wonder Cement, are the proud custodians of this gigantic empire.

THE JOURNEY

Shri Ratanlal Kanwarlal Patni Foundation was established by the R.K. Marble Group in the year 1996 under the patronage of Puja Baba Sahib, Late Shri Ratanlal Ji Patni. The trust has a long history of fulfilling corporate social responsibility in a plethora of sectors. This women's institution was also envisioned under the aegis of the foundation.

Consequently, with the vision of creating an institution catering to the needs of today's women, the seeds of Shri Ratanlal Kanwarlal Patni Girls' College were sown.

THE TRIUMPH

The inception of **Shri Ratanlal Kanwarlal Patni Girls' College** in 2015 is a unique illustration of Public Private Partnership (between the Government of Rajasthan and the R.K. Marble Group). The college spreads over 15 acres of land with state-of-the-art infrastructure, functioning as per the UGC guidelines. To fulfill the need of a girls' college in this belt of Rajasthan which has low Gross Enrollment Ratio in the field of Higher education, the institution addresses the twin issue of higher education in general and women empowerment in particular. The mission was further chiseled by stressing not just on the conventional aspect of college education but also the more significant factor of skill building and employability.

VISION

We aspire to be an institution whose academic portfolio, educational model and unique perspective align with the shifting needs of the global society. Empowered through resources, collegiality and public support, the college will provide diverse communities with transforming educational opportunities and services. Together, we envision to empower women by providing avenues that foster professionalism, humanism and social responsibility.

MISSION

To provide accessible, affordable and the finest educational programmes through a unique blend of curricular, experiential, and research based learning structure.

To develop a student-centric culture augmenting critical thinking, information competency and communication skills; while focusing on vocational education and employability.

To harness young talents and encourage them to take corporate and creative initiatives.

To recognize the importance of cultural, social, environmental, personal growth and development.

To embrace a value based system of education and aspire for holistic development of our students.

To effectively integrate Information and Communication Technology on the campus, developing competency and confidence among students.

CORE VALUES

Academic Accountability

We strive for uncompromising quality and global standards of excellence in teaching, learning, curricula and research across various disciplines.

Institutional Culture

We maintain a culture that upholds the highest ethical values, integrity and an unwavering commitment to academic freedom and transparency.

Social Responsibility

We nurture social consciousness to create an understanding towards human differences in culture, gender, caste and religion.

Self-reliance

We focus on multifarious vocational skills to kindle a modern outlook, scientific temper and personal dynamism.

Environmental Consciousness

We are committed to create and spread environmental awareness by sustaining an eco-friendly campus.

Imagine a place where

talent meets possibilities!

LEARNING RESOURCES

Expanding Horizons

Smart Classrooms : We have smart learning spaces with sophisticated software, interactive modules, smartboards, and audiovisual aids. Smart Classroom provides advanced tools for faculty to incorporate a wide range of media in instruction and to enrich student learning experience.

E-Governance through ERP System : We are amongst the forerunner institutions in Rajasthan to have adapted an ERP platform; it is an information-driven electronic interface connecting management, faculty, students and parents. The ERP system enables seamless interaction across the campus in a lucid, transparent and time-efficient manner; thereby promoting personalized educational experience.

Laboratories : To impart practical exposure, improve understanding and grasp scientific principles better, the college has well equipped labs for all disciplines in conventional Sciences, Computer Technology, Food and Nutrition, Textile Technology, Psychology and Geography.

Library : The college maintains a well-stocked library which boasts of a rich collection of more than 16537 books; further additions to titles and volumes are underway. Our e-library also substantially complements the printed reference section.

Specialized Language Lab : We provide the technological infrastructure and expertise required for learning the English language through advanced modules specifically designed for improving LSRV (Listening, Speaking, Reading and Writing) skills. It allows independent learning through language-specific software and online resources.

Amphitheatre : The college flaunts an open air theatre with a capacity to accommodate more than 700 students to host college festivals, cultural events and functions. It assumes a symbolic and creative dimension in our academic sphere, thus becoming the cultural soul of the institution.

Seminar Hall : We have an air-conditioned seminar hall with a capacity to accommodate 250 people; equipped with advanced presentation tools. Serving as a platform of interface, this hall is used to conduct conferences, seminars, talks and workshops.

Sports Facilities : The college is designed with facilities for sports and recreational activities to ensure 360-degree development of our students. The students have access to spacious sports fields for Basketball, Hockey, Tennis, Volleyball, Football, Handball and Kho-Kho. Adequate facilities for indoor games like Table-Tennis, Carrom and Chess are also available.

Imagination will often carry us to the worlds that never were

CAMPUS FACILITIES Supporting You

Student Security : Our prime concern at SRKPGC is to ensure zero tolerance towards any lapse on the safety front. Tight security network through CCTV cameras, biometric attendance and attendance notifications sent to the parents are checkpoints to ensure safety of our students.

Transport Facility : It is an optional service offered by the college for the convenience and easy commute of the students. It helps to reach out to distant and rural areas, where unavailability of proper conveyance becomes an obstacle for girls. Our reach : Kishangarh, Parbatsar, Roopangarh, Ajmer.

Pre-Admission Counselling : The prospective students can take Aptitude Test conducted by the college prior to admissions. This test provides information to the students regarding career options available to them based on their interests, subject knowledge and aptitude profile. Subsequently, interactive counselling sessions are offered with our subject experts to clarify queries regarding the admission process and available subject combinations.

Mentorship Programme : This programme facilitates one-to-one interaction between a student and a designated faculty member to provide support for her personal, academic and overall development on the campus. Additionally, this ensures maximum participation of the student in co-curricular and extracurricular activities.

Health Care Centre : We organize regular health check-ups, camps, nutrition education and counselling sessions for students and staff to ensure their well-being and healthy lifestyle choices.

Student Information Centre : Our Help Desk serves as the primary point of contact, providing necessary information for smooth and hassle-free communication and operations on the campus.

Digital Notice Board : In addition to conventional bulletin boards we use Digital Notice Boards for communicating information in quicker and more cost effective way.

Cafeteria : Cafeteria at SRKPGC is a soothing and delightful place to interact and rejuvenate; where students can take refuge from their daily hectic schedule. It serves nutritious and delicious food at affordable rates in a hygienic environment.

Common Room : Common Room is a space provided to the girls to spend their leisure and recreational time.

ACADEMIC MANIFESTO

Our Pledge... Holistic Education

Pedagogy : At SRKPGC we employ state of the art teaching methodologies to facilitate smooth functioning of teaching-learning process. Our up to date e-learning platforms guarantee effectiveness of these strategies to ensure productive learning outcomes.

Assessment and Evaluation : Our specialized faculty members use formative, summative and process assessment procedures for the continuous evaluation of our students. We conduct Internals, Mock Practicals and Pre-University Examination to drill our students to face their final exams.

Tutorial Classes : Tutorial teaching is a unique aspect of the educational experience at SRKPGC. These interactive sessions are especially designed for the students who need additional support and guidance to clear their doubts and problems.

Research & Project-Based Learning : The college nurtures various research and project initiatives that offer opportunities in multidisciplinary environment. Our strong inclination towards research encourages the spirit of innovation in the institution. The students are motivated to submit at least 2 major or minor projects annually in their fields of interest.

Seminars & Extension Lectures : We invite renowned academicians, intellectuals, professionals and industry experts to address the students on relevant subjects with a view to give a new dimension to their classroom learnings.

Workshops : Our college regularly hosts interactive knowledge-intensive workshops giving a chance to the students to participate in activities designed to build team spirit, presentation skills and problem solving attitude.

Industrial Visits : We organize regular industrial visits where our students get an exposure to the industrial practices, bridging the gap between theoretical training and practical learning, while honing their communication and interpersonal skills.

Teacher Parent Association : It is a highly participative forum where faculty and parents exchange feedback and continuously strive for reforming strategies for the overall development of the students.

Student Feedback : We are committed to the highest standards of education for our students, and encourage them to provide rational and constructive feedback concerning teaching and non-teaching staff, institutional policies and campus facilities.

Faculty Development Programme : We encourage our faculty members to participate in various Faculty Development Programmes, continuously motivating them to bring innovation in their teaching methodologies and upgrading their skill set to imbibe technological advancements.

Caring for you, all along the way!

STUDENT SUPPORT INITIATIVES

Transforming You

Skill Based Programmes : The set of Skill Based Programmes that we offer at our college aims at practical learning and professional knowledge to deliver systematic training and vocational skills.

Guidance for Competitive Exams : We, not only, award degrees to our students; but also prepare them for competitive exams like CAT/ MAT, CA-CPT, RAS/ IAS, SSC, Bank PO/ Clerk and other government exams. Best faculty, comprehensive study material and regular online and offline assessments by IPA, Mumbai provide step-by-step guidance on the campus itself.

RKCL Centre : Our college is the registered ITGK (IT Gyan Kendra) of Rajasthan Knowledge Corporation Limited (RKCL), authorized to conduct RS-CIT - a high quality and low cost IT literacy programme. The training is provided in our sophisticated computer labs by a well qualified and experienced faculty.

Industrial Training : To apply classroom theories to the real world job situations, we provide industrial exposure through obligatory industrial training. The students must undertake training for 2 weeks or more at an industry of their choice.

NGO Internship : The students at our college have to undergo mandatory internship at an NGO for a minimum duration of 2 weeks. These internships create and sustain opportunities for meaningful engagements with the society through thoughtful actions.

National Service Scheme : The college has a proactive NSS unit of 100 volunteers, which aims to orient the youth towards selfless volunteerism and community services. It provides the students an opportunity to work with people in villages and slums so as to “bring about a change in their social perceptions”.

College Publications : Our college has two in-house publications, namely Campus Buzz and Ratnank. The glimpses of the year round activities on the campus are captured in the college newsletter “Campus Buzz”; while “Ratnank” is a bilingual magazine featuring self composed articles, poems, stories and more, as well as the original artwork contributed by the students and faculty members.

Website : The college website www.rkgirlscollege.edu.in is a hub of all the institutional information providing time-to-time updates regarding course structures, additional programmes, college activities and media coverage.

Excellence is a continuous process

CELLS AND COMMITTEES

A Harmony of Synthesis

Anti-Ragging Cell : The college has a dedicated Anti-Ragging Cell which works in accordance with the directives of the Hon'ble Supreme Court of India. The committee has been constituted to prohibit, prevent and eliminate the bane of ragging including any physical, verbal or written mis-conduct having the effect of teasing, treating or handling with rudeness a fresher or any other student. Any incidence of ragging must be reported to the Anti-Ragging Cell, which has the right to carry on the appropriate investigation. Students may also report such incidents to the National Anti-Ragging Helpline No. 1800-180-5522.

Anti-Sexual Harassment Cell : It is established as per the guidelines of UGC and Hon'ble Supreme Court of India to provide a safe, secure and congenial atmosphere to the staff and the students. Its objective is to combat the scourge of sexual harassment and integrate the guidelines against it for an impartial institutional policy.

AISHE Cell : The Ministry of Human Resource Development (MHRD) has endeavoured to conduct an annual web-based All India Survey on Higher Education (AISHE) to document the status of Higher Education in the country. The college has constituted this cell, which compiles and uploads reliable and comprehensive institutional data to the AISHE web portal.

Research Promotion Committee : The college has set up this committee to promote research projects and activities on the campus. The committee encourages faculty members and students to keep themselves abreast on recent advancements in their respective fields; through interactive sessions with subject experts.

Grievance Redressal Cell : This cell is empowered to address the genuine complaints and grievances of the students and the staff. They are encouraged to use Suggestion Box placed in the campus to express their issues and problems. The cell commits to provide hassle free grievance redressal; thereby creating a democratic and participatory environment.

Training and Placement Cell : The cell intends to counsel students regarding academic programmes for higher education, various competitive exams, and employment opportunities in different sectors. Additionally, this cell strives to facilitate the process for summer internships and campus placements for the students, and plans to organize campus drives in the college.

Internal Quality Assurance Cell (IQAC) : IQAC is established in the college as per the norms of National Action Plan of National Assessment and Accreditation Council (NAAC) for performance evaluation, assessment and accreditation, and quality up-gradation. It ensures a system for conscious, consistent and catalytic improvement in the overall performance of the institution and works towards academic excellence.

Women Development Cell : In pursuance of the directions issued by the UGC and MHRD, the college has set up the Women's Development Cell (WDC) with the vision to initiate conversations and meaningful discussions on women's rights and gender equality. It aims to construct a society where women can live with dignity and work in a safe environment by redefining the age old power structures of patriarchy.

Havens for Nurturing excellence...

STUDENT CLUBS

Beyond the Classrooms

Science Club : The club aims to stimulate the pursuit of scientific knowledge and enhances the understanding of the prescribed academic curriculum through activities like field surveys, exhibitions, working models, projects, field photography and seminars.

Tech Club : The club offers a platform to explore student's latent talents in a collaborative learning environment; enabling them to come up with innovative ideas. The members learn graphic designing and image editing using CorelDRAW and Photoshop and contribute to the designing of college publications. This club also conducts engaging talks on recent IT trends and dynamic workshops on new technologies.

Commerce Club : This club is a forum for the students to learn about relevant trade and economic issues, developments and concepts through various activities such as virtual stock market trading, mock Annual General Meetings, budget discussions, guest lectures and workshops.

Management Club : The club organizes series of activities focussing on personality development, current economical and business related issues through tools such as management games, industrial visits, group discussions, presentations, and role plays. These activities ensure that students stay abreast of career opportunities and develop the required skills. The members of this club also bring forward 'Ignite-the Management Webzine'.

Literary Club : The literary enthusiasts get together to organize various activities like prose and poetry writing, debates, extempore, book reviews, and literary quizzes. These activities develop creative and critical thinking, while emphasizing on the allied soft skills. The members also actively contribute to college publications; creating fondness for language and literature.

Nature and Wildlife Club : The club has been committed to sensitize and mobilize students' participation for preservation and conservation of environment. The club organizes talks, nature orientation activities, excursions, photography competition, and celebrates wildlife week to educate the members about the diversity found in our mother nature.

Theatre and Drama Club : This club creates enthusiasm about theatre and its various aspects by bringing forward theatre experts to organize workshops. It presents an opportunity for our students to become acquainted with techniques of theatrical process through activities including script writing, stage setting, stage-coordination, acting exercises and games.

Movie Club : The movie buffs on the campus organize screening events to watch films of merit including documentaries and literary adaptations; followed by critical analysis and discussions. These movies provide parallel educational experiences, while inducing appreciation for the world of cinema.

Student Council : This is a forum through which the students collaborate with faculty members to plan and participate in college events like Independence Day, Orientation Programme, Teachers' Day, and Republic Day; thereby cultivating leadership and management skills.
